

Peer Review Worksheet

Results & Discussion Draft

Due: *[insert date]*

Your Name:

Student Reviewed:

Directions

1. Using the group tools in BlackBoard, share your results and discussion draft with your group by *[insert date]*.
2. Read the draft of your partner. Use the new comment tool under the review heading in Word to provide in-text feedback. Save your comments as a new file.
3. Complete the rubric below by placing an X in the appropriate cell of the table. Refer to the full APA rubric in the information tab on Blackboard for criteria for each cell.
4. Answer the questions below the rubric and save this completed file.
5. Using the reviewing tools in Blackboard share this worksheet and the draft with your comments with the author.
6. Submit this worksheet to me in the assignment drop box.
